“Ministerial Fire: How Is It Seen In Theory and Practice”

The Shen Nong Society is proud to announce that Dr. Yu Guo-Jun will teach a full day class on Sunday March 10 following our conference on March 9, 2019. Dr. Yu is the author of [A Walk Along the River](#), one of the most informative and accessible texts to ever be published on Chinese medicine.

Dr. Yu will speak about Ministerial Fire, a topic that is often poorly delineated in herbal medicine. He will use theory to explain his understanding of its uses clinically with reference to specific formulas. This kind of in-depth explication is done so beautifully through the discussions in his book.

Translator: We are also thrilled to have Michael Fitzgerald as Dr. Yu's interpreter. Michael has worked closely with Dr. Yu on his text and, in addition to having a good rapport with Dr. Yu, he also has an understanding of his work and intention.

The following weekend, March 15-17, Dr. Yu will be teaching for 3 days in Amherst, MA. For more info go to <https://whitepinehealingarts.org/institute/live-and-distance-learning/yu-guo-jun/> In addition, if you go to all 3 events, the conference, the one day class in NYC and the 3 day class in Massachusetts, we will send you a free copy of Dr. Yu's new book as soon as it comes out.
